

## Travel

### During your program

If you plan on traveling during your exchange visitor program, **you must see a Responsible Officer on campus in order to obtain a travel signature on your DS-2019 form.**

This signature is valid for 6 months.

### Upon completion of your program

**NOTE: You have 30 days after your program end date (this date is listed on your DS-2019) to depart the U.S. and return home.**

If you plan on traveling outside of the U.S. and then re-entering the U.S. during those 30 days (this includes Mexico and Canada for example) prior to returning home, **you must see a Responsible Officer on campus in order to obtain a travel signature on your DS-2019 form.**

You may not re-enter the U.S. on your current DS-2019.
