

Employee ID Cards

Summary

The university's policies on benefits available to employees with the use of their employee IDs

Purpose

To provide guidance to employees on making the most of their Employee IDs

Procedure

ID cards are issued to benefits-eligible employees and their eligible dependents during new employee orientation. With a valid ID card, employees have access to many campus services and activities including the outdoor tennis/racquetball courts, library, bookstore discount, free or reduced tickets for art exhibits, theatrical and musical productions, and membership in the Fitness Center. Dependents may use many of the same services with the exception of the Fitness Center. Temporary employees may be issued temporary ID cards so that campus services may be accessed during employment.

The Human Resources Department authorizes all employee ID cards for issuance.
