

Recycling Policy

Summary

As part of the Main Campus “Sustainability” mentality, Plant Operations provide recycling bins for paper in each building.

Purpose

The purpose of this document is to describe the guidelines listed below as part of the “Sustainability” mentality and recycling.

Policy

1. Paper – recycling bins designated for paper are located in each building.
2. Aluminum Cans – a container for “clean” aluminum cans will be provided at the request of each department.
3. Scrap Metals – whenever possible, scrap metals are to be separated and taken to the scrap metal yard.
4. Printer and Toner – cartridges are transported to Main Campus for recycling.
5. Fluorescent Lights – accumulated bulbs are transported to Main Campus for disposal in the bulb crusher for recycling.
