

Academic Affairs

Columbus State University strives to be a first choice institution for discerning students who seek challenging programs, engaged faculty, and a vibrant, globally connected campus culture. We empower people to contribute to the advancement of our local and global communities through an emphasis on excellence in teaching and research, life-long learning, cultural enrichment, public-private partnerships, and service to others. The office of the Provost is committed to providing a learning environment that utilizes the most current technologies and strategies to promote the engagement and intellectual advancement of our students. We offer relevant programs in business, the arts, science, education and the health professions at both the graduate and undergraduate levels.
