

**Columbus State University Counselor Education Program/Student Outcomes Report  
Fall 2022-Summer 2023**

<b>Program</b>	<b>Number of Graduates</b>	<b>Completion Rates*</b>	<b>Exam Pass Rates**</b>	<b>Employment Rates</b>
Clinical Mental Health Counseling	8	70%	100%	100%
School Counseling	5	62%	100%	100%

**\*Completion rates** reflect both full-time and part-time students. The completion rank benchmark for our master's programs has been 2-3 years; recent program of study changes reflects a cohort model with a target completion of 3 years for both programs. The data reported does not reflect those students who completed the program in more than 3 years.

**\*\*Exam pass rates:** For licensure and certification examinations, Clinical Mental Health Counseling students complete the National Counselor Examination (NCE) and School Counseling students complete the Georgia Department of Education (GACE) examination. Students provide the program their examination results.

**\*\*\*Employment rates:** Employment rates reported reflect those graduates who responded to the counselor education alumni survey, disseminated annually.
