
GeorgiaONmyLINE

The website [GeorgiaONmyLINE](#) (GOML) showcases online courses and programs offered by University System of Georgia institutions. Students can view available online courses as well as register for select online degree programs, such as Columbus State's Master of Education in Accomplished Teaching or Master of Arts in Teaching in Mathematics & Science through the [GOML website](#).

Newly admitted students will find the [Step-by-Step Guide](#) handy for login details for online portals and [GeorgiaONmyLINE registration](#). Use the links on the Left to view General Program information.

GOML degree programs are made up of courses having section numbers starting with 'Y'.
