

Academics

You expect Columbus State University's world-class art, music, and theatre programs to be creative to the core (and they are). But at Columbus State, creativity is at the heart of everything we do and the driving force behind our more than 90 undergraduate and graduate degree programs.

Here, you'll be encouraged to think in new ways - exploring, experimenting, and reimagining the world around you. You'll learn from scholars who are not only experts in their fields, but expert educators who are committed to helping students discover unexpected connections.

Our instructors believe in the power of collaboration. From downtown Columbus to the Australian rainforest and all points in between, creative collaborations can lead to life-changing opportunities. Our diverse and inclusive educational environment will expand your worldview. Turn your passion into your purpose and prepare to create the life you've always dreamed was possible.
