

# State Regulatory Agency Contact Information

It is expected that students and consumers will fully utilize the University's administrative procedures to address concerns and/or complaints in as timely a manner as possible. Complaints should first be filed internally to the appropriate CSU authority and then, if necessary, to external authorities. For additional information on the complaint process and the resolution options available to students/consumers, visit our out-of-state complaints page.

## Out-Of-State Student Complaints

In addition to the process outlined above, if you live outside of Georgia, you may also contact the state agency listed below to file a complaint.

Should a link not work properly or if you have questions about the complaint process, please contact us at [state\\_authorization@columbusstate.edu](mailto:state_authorization@columbusstate.edu).
