If you live outside the state of Georgia, state regulations may limit your distance education options. To find out whether Columbus State University is authorized to deliver specific programs in your state, please email your inquiry to state_authorization@columbusstate.edu. This email address is exclusively for questions regarding state approval of online offerings. Other types of questions should be sent to the academic department offering the online course.

Also note: Columbus State University does NOT guarantee that programs that fulfill Georgia licensure requirements will necessarily satisfy the criteria of professional boards in other states or territories. **Students from outside of Georgia who are considering a professional program should contact the appropriate board in their state of intended practice prior to beginning a course of study.**
