View course announcements

Use the Announcements tool to read instructor messages, course information, and other Announcements updates. Announcements items appear in the Announcements widget, but you can also receive instant notifications about postings through email, SMS, and RSS feeds. Global Announcements items appear in the same My Home, Course Home pages, and Announcements widgets as course-related Announcements items.

Enable notifications in Announcements

You can sign up to receive immediate text or email notifications when new and updated Announcements items appear.

Before you begin: You must set up a contact method before subscribing to notifications.

From your personal menu on the minibar, click Notifications.

For the Announcements - item updated option and Announcements - new item available option, select if you want to receive email or SMS notifications.

Subscribe to an Announcements RSS feed

You can subscribe to an Announcements RSS feed and receive daily updates of all Announcements items in an RSS reader. This allows you to access an aggregate of Announcements items without logging into Brightspace Learning Environment.

1. On the navbar, click The  **Announcements**.
2. Do either of the following:
 - On the **Announcements** page, from the **More Actions** button, click  RSS.
 - From the Announcements widget menu, click The RSS icon RSS.
3. From the **Subscribe to the feed using** drop-down list, select an option.

4. Click **Subscribe Now**.
