

62 and Older Program

Georgia residents who are aged 62 and older may be eligible to take courses on a space available basis at little or no cost. Students who are interested in this program should contact the Admissions Office at [706-507-8800](tel:706-507-8800) or enroll@columbusstate.edu for more information.

Pursuant to the provisions of the Georgia Constitution, the USG establishes the following rules with respect to enrollment of persons 62 years of age or older in USG programs. To be eligible for enrollment under this provision such persons:

1. Must be residents of Georgia, 62 years of age or older at the time of registration, and shall present a birth certificate or other comparable written documentation of age to enable the institution to determine eligibility.
2. May enroll as a regular or auditing student in courses offered for resident credit on a "space available" basis without payment of fees, except for supplies, laboratory or shop fees.
3. Shall meet all USG and institution undergraduate or graduate admission requirements. However, institutions may exercise discretion in exceptional cases where circumstances indicate that certain requirements such as high school graduation and minimum test scores are inappropriate. In those instances involving discretionary admission institutions will provide diagnostic methods to determine whether or not participation in Learning Support will be required prior to enrollment in regular credit courses. Reasonable prerequisites may be required in certain courses.
4. Shall have all usual student and institutional records maintained. However, institutions will not report such students for budgetary purposes.
5. Must meet all USG, institution, and legislated degree requirements if they are degree-seeking students.
6. May not enroll in dental, medical, veterinary, or law schools under the provisions of this policy.
