
Check Your Application Status

Never logged in to MyCSU? Follow these steps:

- Go to [MyCSU](#)
- Select **Can't Access your account?**
- Select **Work or school account.**
- Type in your username.
 - If you don't know your username, visit our [ID/username lookup form](#).
- Validate you are not a robot by marking the Captcha checkbox.
- You will then be prompted to send an email to an alternate email address - use the email address that you provided on your application for admission.
- Once confirmed, you will be able to set your password and log into MyCSU.
- Review [password requirements](#) to ensure successful setup.
- Setup [Microsoft Azure Multi-Factor Authentication](#).
 - CSU requires the use of multifactor authentication to securely access your MyCSU Account.

If you have successfully logged into MyCSU before, follow these steps:

- Log in to [MyCSU](#)
- On the homepage, locate Admissions Application Status (below Announcements section - you may have to scroll down)
- View the status of your application for your selected start term.
