

Resources for Counselors

Helpful Resources for Our Valuable Resources

At Columbus State University, we believe every student has a story and a future worth investing in. You are a critical part of that journey.

Access everything you need to help your students explore the possibility of attending Columbus State University. Resources include thorough information about CSU, our degrees and programs, our admissions process, scholarships, financial aid, campus tours, special events, and more. Please contact your dedicated admissions counselor if you have any questions or needs. They'll be more than glad to help.

Keeping Our Counselors Connected

The **CSU Counselor Gazette** is our monthly e-newsletter created just for you—our valued high school partners. Along with updates and reminders, this provides a way for us to stay connected as we guide students toward opportunity and purpose.

The Gazette keeps you informed on key dates, admissions updates, scholarships, and campus experiences so we can ensure students feel ready to take their next step.

Day in the Den

Join us for our annual Day in the Den, a special on-campus experience designed exclusively for school, college, and independent counselors.

Spend the day connecting with campus leaders, exploring our residence halls, engaging in interactive workshops, and enjoying lunch with fellow partners. You'll leave with firsthand insight into the resources, programs, and opportunities that help your students thrive at CSU.

Where students from every background find community, potential, and purpose.

Located 90 minutes south of Atlanta in Columbus, Georgia, Columbus State University is defined by a bold, student-first culture of care, community, and collaboration. Compassion and motivation shape how we teach, lead, and support every student, building servant leaders who positively impact locally and beyond. Through academic excellence in the classroom, hands-on learning in the community, and a deeply supportive campus environment, CSU creates strong foundations and a real competitive advantage for the students we serve.

Group and Campus Tours

We're excited to welcome you and your students to campus. Our concierge-level VIP tours are thoughtfully customized, giving your group the chance to sit in on a class, connect with one of our Outreach Centers, attend a sporting event, and explore the opportunities that matter most to them. Tell us what would make the visit meaningful for your students, and we'll take care of the rest.
