

# Visit Campus

What makes CSU so special? The Right Place is Right Here

At Columbus State University, you'll join a student-first community built on care, connection and collaboration. Our close-knit class settings, exciting campus activities, innovative learning opportunities, and responsive student support services provide the personal growth, broadened perspectives, and leadership skills to better position you for success.

## Tour Today See for yourself

We love welcoming prospective students to our beautiful Main and RiverPark campuses, giving you a chance to experience Columbus State University for yourself. It's also a great way for us to get to know you while you get to know us. Schedule an in-person tour today. We'll make you feel right at home.
