
Office of Alumni Engagement & Annual Giving

Columbus State alumni are the university's most valuable resource. By investing your time, talent, and treasure, you make a deep impact that increases the value of your Columbus State degree. The Office of Alumni Engagement strives to make connecting with your alma mater after graduation an easy task. We provide opportunities for alumni to come together at events, serve Columbus State in volunteer roles, and provide philanthropic support to CSU. Contact our office today for more information on upcoming programs and services.
