

# Young Alumni Council

## Mission

The mission of Young Alumni is to provide dynamic opportunities for young alumni to engage with and give back to Columbus State University.

## History

The Young Alumni Council was established in 2017 as a way to engage new alumni and alumni under 40 with specific opportunities targeted to their needs and interests. While CSU is graduating more and more students each year, this is a demographic that is steadily growing. The Young Alumni Council hosts events such as sports trips to Atlanta United, networking events, and Manic Monday, an event to welcome new graduates to the Alumni Association.

## Leadership Council

Breana Jones

Chair  
M.P.A '18
