Come Explore About the Alumni Association

Just two years after the establishment of then Columbus College, the CSU Alumni Association was founded in 1960, with the central purpose of engaging the University's alumni. Over the years, the Association has evolved to accommodate the changing needs of its alumni base, which today totals over 38,000 degree-holders.

Mission

The mission of the Columbus State University Alumni Association, Inc. is to support, foster and promote the aims and objectives of Columbus State University and to establish mutually beneficial relationships between the University and its alumni. Our goal is to keep alumni connected, informed and involved with Columbus State University.
