Make a right onto Clearview Circle (The first right after the second traffic light). Make the second right and immediately make a left into a parking lot. Go through this parking lot and pass under the pedestrian bridge. You will then see Parking Lot 8; the building past this parking lot is the Library. Enter through the double sliding glass doors from the parking lot and Archives will be directly to your left in the large hallway. If you enter through the Library's main entrance, you can take the elevator to the ground floor and then exit the elevator lobby to your left and you will see the entrance to Archives in the large hallway.
