Parking

All members must register their vehicle in order to park on the Columbus State University campus.

Visitors can register their vehicle at the Parking Services Office (third floor of the Cunningham Conference Center) during regular business hours: Monday through Friday, 8 am-5 pm. License plate and vehicle information will be required to

register. After business hours, visitors may register via e-mail at parking@columbusstate.edu. Please include the make, model, and vehicle color along with license plate information (tag number and state) in the e-mail.

All members will renew their parking registration at the beginning of each Fall semester in August.

Parking uses a system that scans license plates and will not issue you a decal. Members can park any in of the white spaces but avoid the green spaces. For additional questions, please contact Parking Services at parking@columbusstate.edu or (706) 507-8203.
