
Financial Aid Forms

Selected for Verification? There's a new process to submit documents!

To review the required documents please log into [MyCSU](#), go to the Students page, under the Financial Information and Resources section click "FAFSA Verification Portal" to review missing items. **If you are a first time user of the verification portal, please register and then you will be able to review your missing items.** You will complete the verification form online, e-sign and submit within the portal and upload any other forms needed.

We recommend that you create a portal PIN to e-sign documents to speed your submission. We also ask that you opt-in to receive text messages about missing items to be certain you have the most current information about your financial aid forms.
