# How to Print Your Invoice

Please print your invoice to see if any financial aid has posted on your student account. The invoice will show if you still owe or if you are due a refund. (*Refunds are negative amounts*).

1. Log into [MyCSU](#)
2. Click the "Students" tab in the top navigation
3. Click "Student Account Portal" button under the Student Accounts Services Section

This will take you to Your Student Account Center where you can view current terms, past terms, print invoices and make payments.
