

# Mandatory Fees

Mandatory Fees are charged to support Columbus State University's physical and technological infrastructure and to provide facilities and services that are available to all students. Mandatory fees are not "user fees" and must be charged to all students according to University System Policy. With the exception of the Institutional Fee mandated by BOR policy, these fees were approved by a fee advisory committee with students making up 50% of the committee membership.

*In accordance with the University System of Georgia [Board of Regents Policy 7.3.4.2](#), students living in on-campus housing will be charged all mandatory fees for all classes for which they are registered, regardless of whether their classes are on campus or online.*
