Pay Tuition Online

For Students

1. Please log in to MyCSU
2. Click "Students" in the top navigation
3. On the Student page under the "Student Accounts Services" section, click the "Student Account Portal" button.

International Students

International students please see our Global Engagement Payment page for payment instructions.

For Parents/Other Authorized Users

Before you can pay, your student will need to add you as an authorized user.

How To Add An Authorized User (As Student)

1. Log in to the "Student Account Portal" (instructions above)
2. Under "My Profile Setup" section click "Authorized Users"
3. Click "Add Authorized User"
4. Supply email address of your authorized user
5. The authorized user will receive a username, password, and payment link via the email you provided

How To Pay As An Authorized User

Once authorized, you may pay online using the link supplied to you via email. If you lose the payment link provided via email, your student will have to reauthorize you.

Tuition Assistance/Third Party Students

Please do not set up third party agencies through MyCSU. Contact the Office of Student Accounts Office for a link third parties can use to pay students invoices.
