Why This Matters

Cougar Tracks helps you stay on track by showing what to expect and when—so you never miss an important moment.

It connects your experiences across campus and makes sure you get consistent support every step of the way.

Behind the scenes, it also helps CSU faculty and staff work together to guide your success from day one to graduation.

What Students Are Saying

It makes me feel seen.

— Undrell, Class of 2027

I love the traditions part!

— Braydon, Class of 2026

It's a path we can follow.

— Trinity, Class of 2025
