

Albert Einstein's Riddle Part 2

Now that you have successfully determined the order of the houses, now determine...

Who owns the fish?

Albert Einstein wrote a similar riddle early during the 19th century. He said that 98% of the world population would not be able to solve it. Are you in the top 2% of intelligent people in the world?

When you have solved this problem, go to Room 203 of Stanley Hall to present your solution to the Master Teacher. Be prepared to explain your answer.
