

## *Four Brothers*

*Four brothers are discussing the order in which they were born. Two are lying and two are telling the truth. Which two are telling the truth?*

*Alfred: "Bernard is the youngest."*

*Horatio: "Bernard is the oldest and I am the youngest."*

*Inigo: "I was born last."*

*Bernard: "I'm neither the youngest nor the oldest."*

*Go to Room 209 of Jordan Hall to present your solution to the Master Teacher. Be prepared to justify your answer. This problem is worth 2 puzzle pieces.*
