Degrees & Programs

Search all of our offered degrees, minors, certificates, and endorsements to discover the path that best fits your goals.

Note for Out-of-State Students

If you will be living outside of Georgia while enrolled in courses, please visit our [Program State Authorizations and Approvals](#) page before applying to find out if Columbus State University is able to offer your program of interest where you will be living.

If you will be living internationally, or have any questions about state authorization or professional licensure authorization, please contact the State Authorization office at state_authorization@columbusstate.edu. Please include in your email:

- Your name
- Where you will be physically present while taking classes
- Program of interest

The State Authorization office can only address questions related to state or licensing board approvals, for all other questions please contact the appropriate department:

- [Academic Departments](#)
- [Office of Admissions](#)

Visit our [Out-of-State Student](#) page for more information for students living out of state.
