

Non-CSU Education Abroad Scholarships

Numerous scholarships exist for students needing financial assistance to study abroad. The scholarships listed below are not associated with Columbus State University. The following list of scholarships is provided for your convenience but is not comprehensive. Students are encouraged to research external scholarships for which they may qualify.

For assistance in writing your scholarship essay, you can make an appointment with a writing tutor at the [Academic Center for Tutoring](#) by calling 706-507-8646, or visiting Simon Schwob Memorial Library (2nd Floor).

Students must apply for these scholarships through the respective organizations and follow all eligibility requirements & guidelines. These scholarships are usually nationally competitive, although they are worth the effort when one is awarded.
