Summer 2023 Priority Deadline	April 1, 2023	(use 2022-23 FAFSA and 2020 taxes)

- **Electronically submit your FAFSA!**

Go to [www.studentaid.gov](http://www.studentaid.gov) to complete your FAFSA; include the School Code: **001561**. Complete your FAFSA at least 30 days prior to the published deadline to allow enough time for us to receive your FAFSA and for you to submit any additional documentation.

**Helpful Tip:** Use the IRS Data Retrieval Tool when completing your FAFSA to speed up processing if your file is selected for verification.

- **Respond timely to any request for verification/documentation! The Department of Education randomly selects FAFSA applications for verification. If your FAFSA is selected, you will be required to submit additional documentation.**

**Helpful Tip:** IRS Tax Transcripts can take 5-10 days to be mailed to you, if unable to access them using the IRS Data Retrieval Tool.

**Note:** It can take up to 4 weeks to receive an award once you have submitted all required documentation.

- **Activate your MyCSU account! Communication and status updates are made on MyCSU or sent to your CSU email account so it is important that you access these often. For technology support, please visit: <https://helpdesk.columbusstate.edu/>.**
- **Financial aid does not transfer from one school to another! If you are a transfer student, you will need to add the 001561 school code to your FAFSA and cancel all pending loans or grants at the school where you last attended. After requesting cancellation at your previous school, please notify CSU that your loans and grants have been canceled by emailing: [financial\\_aid@ColumbusState.edu](mailto:financial_aid@ColumbusState.edu).**

**Helpful Tip:** Aid will not show as canceled until your previous school reports the cancellation to the Department of Education. **We cannot proceed with processing until aid is fully canceled.**
