

Partners

Columbus State University works with a carefully and rigorously selected group of agents. International Agents are trained by CSU staff and are expected to provide you with up to date information about CSU's campus culture and community, academics, and the application process. Agents are also a source of knowledge for any questions you may have.

In making an agreement, CSU does not guarantee admission to students referred by the agent. All admission decisions are made solely by Columbus State University. Our primary goal in collaboration with agents is to partner together and assist students in making the best choice possible for their academic futures.

CSU has formal agreements with the international agents listed below:

- **August Education Group**
- **Geebee**
- **U.Scholarship Advisers**
- **Yathapu Con Private (I-20 Fever)**
