

International Student Services Overview

with other CSU International Students on [Facebook](#)

As a globally engaged institution, international students are an integral part of Columbus State University.

Programs and services include:

- SEVIS (Student and Exchange Visitor Information System) reporting compliance
- Visa and document administration required for F-1 and J-1 degree-seeking students and their dependents
- SEVIS informational sessions
- Optional Practical Training (OPT) and Curricular Practical Training (CPT) workshops
- Student Advising
- Tax assistance
- International Student Services Scholarship
