Come Explore About the School

Columbus State University provides masters and specialist degrees in more than [35 areas of study](#) and a Doctor of Education in Curriculum and Leadership. Our purpose is to promote student achievement, research, scholarship, global learning, strategic partnerships, and engagement in discovery and practice. You can expect one-on-one interactions with outstanding faculty and a close working relationship with your advisor. Moreover, faculty mentors guide you to service, publication, presentation, and research opportunities. CSU also offers high-level opportunities for research, service, and teaching. CSU's [graduate tuition](#) for Georgia residents and non-residents is competitive. Information to answer many prospective student questions is on the [graduate admissions](#) website.

Experience More Beyond the Classroom

At Columbus State University, you'll have opportunities to enhance your education in our degree programs by participating in organizations, events, and more.

Graduate Research and Writing Bootcamp - Events and resources for assisting graduate students with the writing and research process.

Graduate Research Conference - The Faculty Research Conference and Dr. Gregory P. Domin Graduate Research Conference are multidisciplinary conferences that affords Faculty and Graduate Students from across the U.S. an opportunity to present their research among their peers in an open and relaxed atmosphere.

The Network & Knowledge Connection - The Network & Knowledge Connection's purpose is to serve as a voice for all graduate students in determining ways to enrich the graduate experience both academically and socially.

Graduate Student Advisory Council - The purpose of this council is to help advise the Graduate School activities and programming for all graduate students.

We Can Help

Columbus State University offers students a number of scholarships each year. Learn more about available scholarships.

Giving

How You Can Help Graduate Education at CSU

Many graduate students come to us already bearing the burden of undergraduate loans. For some, graduate education is not affordable. Some of the 'best and brightest' in Georgia, the region, and the nation cannot come to CSU because of a

lack of support. Students who graduate from CSU often remain in the state and region, so it is in our best interest to help them afford a good graduate education from us. Graduate education is more valuable now than ever before!

One of the best ways to make an impact in a student's life is to create a scholarship. To learn more about creating a legacy at CSU with a named scholarship or an annual stipend scholarship, visit [CSU University Advancement](#).

[Make a gift to the Graduate School](#), choose other under Designation and type in "Graduate School and the amount you are giving.
