

Graduate School Newsletter

Do you know of any CSU graduate students or graduate faculty that have gone over and beyond in their work/studies; presented at major conferences; had publications accepted or won awards? Are there new graduate programs or changes to current programs? Are there any events related to graduate students that could be featured in the newsletter? Please let us know! We want to give our graduate students and faculty the recognition they deserve!

Send your information to: gradschool@columbusstate.edu. If you are not receiving this newsletter and would like to get on our mailing list, please let us know.
