

Faculty & Graduate Research Conference

This academic year the **Faculty & Graduate Research Conferences will be held in Spring 2025!**

The newly combined Tower Day, Dr. Gregory P. Domin Graduate Conference, and the Dr. Ellen Roberts Faculty Conference highlights students' and faculty's academic and creative achievements across all disciplines. It provides a space for scholars from all majors to come together to present, discuss and network about their innovative research and artistic creations. All students and faculty are welcome to submit abstracts for this year's Tower Day.

Faculty Research Conference & Graduate Research Conference

The Faculty Research Conference and Dr. Gregory P. Domin Graduate Research Conference are multidisciplinary conferences that affords Faculty and Graduate Students from across the U.S. an opportunity to present their research among their peers in an open and relaxed atmosphere.

The goal of the Conferences is to encourage the free flow of ideas and knowledge across a broad spectrum of subjects in order to initiate new thought processes and methods for dealing with the issues facing the world today.

The Faculty Research Conference and the Graduate Research Conference are hosted on the main campus of Columbus State University at the Cunningham Conference Center in Columbus, GA.

Event Information

The Faculty and Graduate Research Conferences are a two day event designed to bring together students, faculty, and community members to discuss new and developing research across disciplines. All conference events are held at the Cunningham Conference Center at Columbus State University.

Faculty research presentations will take place during the morning and afternoon sessions on Wednesday. This is a great opportunity for faculty and students to attend together and to support one another's research presentations.

The official Conference Reception will be held on Wednesday evening. Get to know and network with the other conference attendees and our conference sponsors in a relaxed and engaging setting! All Presenters, Sponsors, and Registered Participants are invited to attend the Reception.

Graduate Student presentations will be held throughout the morning and afternoon on Thursday. Presenters are encouraged to attend panels and sessions throughout the day in order to get the full benefit of the conference.

Faculty and student presentations are free and open to the public.
