

# Photography

Commencement photographs will be taken of all graduates as they are individually congratulated. A third-party company, [GradImages](#), provides this complimentary service as each graduate crosses the stage during the commencement ceremony.

Graduates must register on the GradImages website using the following links to take full advantage of this service.

- [Fall 2025 Graduate Hooding Ceremony \(Dec 11\)](#)
- [All Fall 2025 College Commencement Ceremonies \(Dec 12\)](#)

Within three to seven days following commencement, graduates who have registered online will receive a link by e-mail that will direct them to free passport-size digital proofs of their graduation photos. Graduates and families may search for or order additional photos on the [GradImages website](#) or by calling (800) 261-2576.

GradImages doesn't sell or share its address and e-mail information with other vendors.
