
Telehealth - HealthiestYou

Remote Access via HealthiestYou by TeleDoc

HealthiestYou lets you see and talk to a doctor 24/7 from your mobile device or computer. You don't need an appointment and it's covered under your United Healthcare Resources plan. Students who do not have United Healthcare Student Resources insurance can use the service for a discounted rate of \$55.00 for medical services and starting at \$99 for mental health services.

If you have United Healthcare student insurance through CSU and want to know what additional options are available to you, please consult [United Healthcare's Student Resources](#).

Emergency Care

Dial 911 immediately for a life-threatening emergency.

CSU Police may also be contacted at **706-568-8911** in case of emergencies.
