| 232011 | Fall 2014 | NURS-3275 | The Physiological Effects of Anorexia Nervosa | For my contract project, I wanted to delve deeper into the area of nutrition and the effects of nutrition on the body. Therefore, I chose to further my research into the physiological effects of Anorexia Nervosa. In this research, I will explore the physiological changes that occur from nutrition deficits in anorexia as well as the clinical manifestations, complications, treatments, and role of nursing for patients with anorexia. |
