295011	Fall 2015	CPSC-1105	Instructional Beginner Videos on the Clarinet	<p>This will be an interdisciplinary project combining the knowledge of clarinet pedagogy from my field with the application of technology through my current Introduction to Information Technology class to create a series of four videos. These videos will be instructional videos for beginners on the fundamentals to play the instrument. The videos will not only help beginners but also more advanced students that did not build off of the fundamentals and need aid identifying exactly what to do to apply them (embouchure, good hand position, etc.). The videos will go in the following order: 1) What is the clarinet? (This will include instructions on how to put the instrument together as well) 2) Hand position on the Clarinet 3) Embouchure 4) Articulation These four videos will provide the fundamental instructions in the order needed to play the clarinet.</p>
