302013	Fall 2015	CRJU-3155	Quantitative Observation: Community Juveniles Behaviors	I will make quantitative observations of the youth's behavior that I volunteer with at the Boys and Girls club throughout the week. I will be working with the age groups of 6-13 both male and female. I will recorded the constants and also the things that change with their behavior. Also, I will do additional research and readings to enhance my project. My professor will assist with understanding of my findings and I will document and make a final report of it.
