327090	Fall 2016	COMM-4257	Visual Video Storyboard	<p>Create a storyboard by editing pictures into a video format and synthesizing narrative styles and techniques from three directors and/or movies of student's choice. The video storyboard will be of an original scene that reproduces the styles and techniques of the three directors and/ or movies that stood out the most. Include narrative components discussed in class and a short written explanation of the storyboard. The project will demonstrate student's understanding of the framework for producing a narrative style film while allowing the student to explore narrative styles and create an original narrative style, apply the framework, and prepare for a bigger project.</p>
