354082	Fall 2017	Analysis of "Against the Gods: The Remarkable Story of Risk"	FINC 3125	"Against the Gods: The Remarkable Story of Risk" is a highly suggested book talking about how risk works in today's market and has worked in past markets. Dr. Cotten and I will both be reading this book and analyzing how it pertains today and how it could pertain in the future.
