354100	Fall 2017	Classroom Management Methods and Their Practicality in the Band Classroom	MUSE 2105	<p>The layout of most band rooms and the process of running a rehearsal present difficulties in classroom management.</p> <p>In this contract, I will research multiple classroom management styles and methods. I will then assess each methods practicality in a band room and potential issues that may arise. I will decide which methods are practical for band and interview 2-3 local middle school band directors for their experience and opinion.</p>
