Contract	Term	Course	Contract Title	Contract Description
335103	Spring 2017	ACCT 3111	United States Current Individual Income Tax System v. Flat Tax	This paper will be looking at the current individual income tax system in the United States versus the proposed flat tax system. We will be looking at not only the historical facts of these topics, but also current events involving the possible change of the tax system with new legislation proposed by the new President.
