| 417088     | Spring 2019 | ARTS 5288U | Uptown Sculpture           | This contract will be to create, install, and present a public sculpture through a grant provided by Uptown Columbus and Artbeat for the Downtown area of Columbus, GA. The sculpture will be metal-based with over 300 pipes welded together to make the form of a wave. It will then be powder-coated in Columbus for protection and color. It is not every day that a sculpture student gets to make a public sculpture for Columbus and I am glad I was selected. This sculpture will be finished in time to be installed and presented in the coming events for Artbeat.  |
| 417089     | Spring 2019 | ARTS 5288U | ArtLab Solo Art Exhibition | This contract will be for creating a solo art exhibition in the ArtLab Gallery space in Seaboard Depot downtown. I will be creating an installation of stuffed animals and a sound piece for the exhibition which will dive into my own personal experiences and the injustices others face now that are similar to my own relating to the subject of child abuse and neglect. It will be completed in time for my reception where I will present and talk about the work with viewers. It will open in late March and will be open to the public for viewing until mid-April. |
