

# Mission & Vision

## Honors College Vision Statement

The Honors College will make Columbus State University a first choice institution for students who strive to succeed by championing innovative instruction, undergraduate research and interdisciplinary studies.

## Honors College Mission

Our dual mission provides an innovatively delivered curriculum for high achieving students and advances the intellectual growth and recognition of the university. The Honors College challenges a diverse community of students to individualize their academic experiences, while serving as an institutional champion for undergraduate research, interdisciplinary studies and creative instruction.

## Honors College Learning Outcomes

### Honors graduates will:

- Identify resources and evaluate evidence used to support arguments or critiques in multiple academic disciplines.
- Analyze the commonalities and discords of the different disciplinary perspectives.
- Demonstrate cultural awareness and view issues from a global perspective.
- Design independent inquiry projects that require critical and creative thinking.
- Demonstrate effective research or performance skills in their academic discipline.
- Experience interactive, innovative, and engaging instructional methods.
- Connect their academic experience with local community experiences.
- Demonstrate that they are prepared for a career in their chosen field.
