

Alumni Tutoring Policy

Summary

The Academic Center for Tutoring will offer tutoring services to Columbus State University Alumni on a limited, case-by-case basis.

Purpose

The purpose of this policy is to describe the extent and limitations of ACT tutoring services to alumni.

Policy

The ACT will tutor CSU alumni. We cannot tutor alumni family or friends. We need to confirm your dates of attendance and graduation. The ACT is a pedagogical service; therefore, tutors will teach strategies and skills for learning. They do not lecture content, or ghost write, or edit work. This is a courtesy service, and the ACT has a right to refuse service if the request for help does not fit our tutoring philosophy or methodology. If you are an alumnus, please visit Woodall 104 to see if we can accommodate your request for tutoring. The front desk will record your name in the system as "Alumni Student."
