

Associate Degree Programs

Summary

The Associate of Arts and Associate of Science degrees are 2-year undergraduate transfer degree programs designed largely for the completion of the general education requirements and related lower division studies typically pursued during the first two years of a four-year baccalaureate degree program.

Purpose

The policy outlines the credit hour limitations and requirements, the field of study requirements, institutional requirements.

Policy

All AA and AS degrees shall consist of 60 semester credit hours; 42 hours of the required core curriculum coursework in Board Policy 3.3.3.1, 18 hours of lower division requirements related to a bachelor's degree field of study (Area F), and do not include institutional requirements in physical education, activity, basic health, orientation or pre secondary education courses. Associate degrees beyond 60 credit hours require the approval of the USG Chief Academic Officer.
