

Banking Opportunities

Summary

The university's banking opportunities available to employees.

Purpose

To provide guidance to employees on banking opportunities available to them.

Procedure

Columbus State University benefits-eligible employees may join the Members Alliance Federal Credit Union. The Credit Union offers a range of services including savings and checking accounts, and loans. Employees can authorize paycheck deductions into their Members Alliance account. Membership applications and authorization forms for paycheck deduction are available at the Credit Union or in the Human Resources Department.
