

# **Orange Safety Vest Use Policy**

## **Summary**

Plant Operations requires the use of orange safety vests.

## **Purpose**

The purpose of this document is to establish the requirement that Plant Operations personnel must wear orange safety vests.

## **Policy**

Orange safety vests are to be worn by Plant Operations employees at all times when performing work on a road surface (including the curb) and service drives. Vests are not required while operating ride-on equipment, such as riding lawn mowers, tractors, etc. However, safety vests are required once an employee dismounts riding equipment to perform work on the surface of the road, as indicated above.
