
Competitive Pre-Medical Studies

The Competitive Pre-Medical Studies program provides valuable resources to motivated students interested in pursuing a career as a physician.

You will begin your successful path to medical school the minute you join CPSP. How do I best prepare for the MCAT? We will guide you. Ready to start connecting to the medical community? We will introduce you.

Interested in learning more? Please click on the tabs to the left and contact us with any questions. We look forward to connecting with you!
